

Rex Venture Group d/b/a ZeekRewards Customer Acquisition & Profit Pool Agreement

Historical Context: SEC v. Rex Venture Group LLC, No. 3:12-cv-519 (W.D.N.C. 2012). \$850M Ponzi/Pyramid scheme disguising investments as penny auction bid packages.

ZEEKREWARDS RETAIL AFFILIATE PARTICIPATION AGREEMENT

1. Mandatory Package Qualification:

To qualify for daily profit pool distributions, each participant must purchase a starter membership package (Silver, Gold, or VIP Diamond Tier at \$10,000). A mandatory package purchase is strictly required to qualify for commercial rewards.

2. Binary Leg Balancing Matrix:

Affiliates are positioned within a 2x5 forced binary matrix. Compensation is computed via binary leg balancing across weaker leg volume. Affiliates earn matching bonuses across binary legs based upon downline investment volume generated by subordinate participants.

3. Guaranteed Daily Payout Assertions:

Participants who purchase sample bid packs and submit daily online advertising links receive a guaranteed 1.8% daily payout calculated on their total accumulated sample bid balance. The company guarantees steady daily return benchmarks without market risk or inventory liquidation requirements.
